UNITED STATES DISTRICT COURT NORTHERN DISTRICT OF ILLINOIS EASTERN DIVISION

IN RE BROILER CHICKEN ANTITRUST	Case No.: 1:16-cv-08637
LITIGATION	

This Document Relates To:

THE DIRECT PURCHASER PLAINTIFF ACTION

DECLARATION OF ERIC SCHACHTER IN SUPPORT OF MOTION FOR FINAL APPROVAL OF THE CLASS ACTION SETTLEMENT BETWEEN DIRECT PURCHASER PLAINTIFFS AND THE MAR-JAC AND HARRISON POULTRY DEFENDANTS

I, Eric Schachter, declare as follows:

- 1. I am a Vice President of A.B. Data, Ltd.'s Class Action Administration Division ("A.B. Data"). Pursuant to the Court's October 5, 2021, Order Granting Direct Purchaser Plaintiffs' Motion for Preliminary Approval of the Settlements with the Mar-Jac and Harrison Poultry Defendants ("New Settlements") (ECF No. 5086, the "Preliminary Approval Order"), A.B. Data was authorized to act as the Claims Administrator in connection with the New Settlements. I am over 21 years of age and am not a party to this Action. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.
- 2. This Declaration describes the implementation of the notice plan, as proposed in my Declaration of Eric Schachter in Support of Direct Purchaser Plaintiffs' Motion for Preliminary Approval of the Settlements with the Mar-Jac and Harrison Poultry Defendants (ECF No. 5248-1, the "Initial Declaration").

CLASS MEMBER DATA

3. On October 1, 2021, A.B. Data received a data file from the Claims Administrator of the previous settlements in this Action with the names and contact information of 24,960 potential Settlement Class members (the "Class List").

NOTICE

4. Prior to commencing direct notice of the New Settlements, A.B. Data standardized and updated, where applicable, the mailing addresses on the Class List using data from the United States Postal Service ("USPS") National Change of Address Database. On

October 22, 2021, A.B. Data caused the Court-approved Long-Form Notice to be sent by USPS First-Class Mail to the 24,960 potential Settlement Class member mailing addresses.

- 5. As of the date of this Declaration, A.B. Data has tracked 4,461 Long-Form Notices to be undeliverable as addressed. Of these, 2,342 Long-Form Notices have been remailed to updated addresses obtained through either the USPS, an authorized representative of the intended recipient, or third-party information services to which we subscribe.
- 6. On October 22, 2021, A.B. Data caused the Email Notice to be sent by email to 9,914 email addresses contained on the Class List. To maximize deliverability, A.B. Data used certain best practices, such as avoiding attachments and certain key words likely to trigger SPAM and junk filters and sending the emails in batches over a period of days. Of the 9,914 emails sent, 9,665 were successfully delivered.
- 7. To supplement the direct notice efforts, A.B. Data caused the Publication Notice to be published in the October editions of *Progressive Grocer*, *Meat & Poultry, Poultry Times, Frozen & Refrigerated Buyer, Supermarket News,* and *Winsight Grocery Business*, trade journals targeting supply chain executives and food industry professionals. A.B. Data also effectuated a thirty-day digital media banner ad campaign on www.ProgressiveGrocer.com, www.MeatPoultry.com, www.PoultryTimes.com, www.SuperMarketNews.com, www.WinsightGroceryBusiness.com, www.FastCasual.com, and www.ShelbyReport.com running from October 25, 2021, through November 23, 2021.
- 8. The Long-Form Notice, Email Notice, and Summary Notice were written in plain language that clearly and concisely described, among other things: the definition of the Settlement Class; the binding effects of remaining part of the Settlement Class; the benefits of

the New Settlement; Co-Lead Counsel's contact information; instructions on how to exclude or object; the costs and fees that Co-Lead Counsel would seek to be paid from the Settlement fund; and that additional information and pleadings were available online at www.BroilerChickenAntitrustLitigation.com.

SETTLEMENT WEBSITE

9. On October 22, 2021, A.B. Data caused the case-specific Settlement website, www.BroilerChickenAntitrustLitigation.com, to be updated to include information regarding the New Settlements. The website provides general information in English and Spanish regarding the case and its current status, as well as downloadable copies of the notice documents, the Settlement Agreement, the Preliminary Approval Order, and the operative Complaint. The website is accessible 24 hours a day, 7 days a week.

TELEPHONE HELPLINE

10. On October 22, 2021, A.B. Data also caused the Interactive Voice Response system on the case-specific toll-free phone number, 866-552-1178, to be updated to include information regarding the New Settlements. If callers need further help, they have the option to be transferred to a live operator during business hours with both English and Spanish speakers.

EXCLUSIONS AND OBJECTIONS

11. The Long-Form Notice informed potential Settlement Class members that requests for exclusion were to be submitted to A.B. Data by mail or email such that they were postmarked or submitted by December 21, 2021. As of the date of this Declaration, A.B. Data has received 129 valid requests for exclusion from the Mar-Jac Settlement and 128 valid

requests for exclusion from the Harrison Poultry Settlement, many of which included various affiliated entities and partial assignments. In consultation with Co-Lead Counsel, A.B. Data reached out to many of the entities requesting exclusion to confirm and clarify their intent related to subsidiaries and assignments. All 129 requests for exclusion from the Mar-Jac Settlement and 128 requests for exclusion from the Harrison Poultry Settlement received, were postmarked and/or received on or before the December 21, 2021, deadline and met all requirements set forth in the Long-Form Notice. In addition, on January 7, 2022, A.B Data received 3 additional requests for exclusion from the Settlements that are before the Court per the Motion for Late Opt-Out from Settlements (ECF No. 5337). The list of all entities (inclusive of affiliated entities) that validly requested exclusion is attached as **Exhibits A** (Mar-Jac) and B (Harrison Poultry).

- 12. Of the 129 valid requests for exclusion, 51 requestors included documentation showing claims partially assigned to them by other potential Settlement Class members. The list of the requests with partial assignments is attached as **Exhibit C**.
- 13. The Long-Form Notice informed potential Settlement Class members seeking to object to part or all of the proposed Settlement that they could do so by submitting a written request that is received by the Parties and filed with the Court no later than December 21, 2021. As of the date of this Declaration, A.B. Data has not received and is not aware of any objections.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this 11th day of January 2022.

Eric Schachter
