UNITED STATES DISTRICT COURT NORTHERN DISTRICT OF ILLINOIS EASTERN DIVISION

IN RE BROILER CHICKEN ANTITRUST LITIGATION

This Document Relates To:

THE DIRECT PURCHASER PLAINTIFF ACTION

Case No.: 1:16-cv-08637

AMENDMENT TO THE THIRD SUPPLEMENTAL DECLARATION OF ERIC SCHACHTER REGARDING: REPORT ON REQUESTS FOR EXCLUSION

- I, Eric Schachter, declare and state as follows:
- 1. I am a Senior Vice President with A.B. Data, Ltd. ("A.B. Data"). A.B. Data was selected by Direct Purchaser Plaintiffs and appointed by the Court to act as the Notice Administrator in this matter. I am fully familiar with the facts contained herein based upon my personal knowledge, and if called as a witness, could and would testify competently thereto.
- 2. As detailed in my Supplemental Declaration dated May 4, 2023 (ECF 6540), A.B. Data has been responsible for processing exclusion requests and had received 120 timely requests for exclusion, many of which included various affiliated entities and partial assignments.
- 3. Per the Court's Docket Entry dated September 14, 2023 (ECF 8637), sixteen unique entities were granted opt-out status from the Direct Purchaser Plaintiff Certified Class established pursuant to this Court's Memorandum Opinion and Order. These entities will remain bound by the Settlement Agreement between the Direct Purchaser Plaintiffs' Class and Defendants Koch, Raeford, Simmons, OK Foods, and Mountaire.
- 4. On September 18, 2023, A.B. Data was contacted by counsel for opt-out Campbell Soup Company requesting a correction to their affiliated entities listed on Exhibit A to my third supplemental declaration regarding: report on requests for exclusion (ECF 6874) (the "Exclusion List"). In response to this inquiry, A.B. Data initiated a manual review of all underlying exclusion requests to determine whether there were any discrepancies on the Exclusion List.
- 5. This additional review confirmed the discrepancy related to Campbell Soup Company's request for exclusion in that four affiliated entities were erroneously included on the Exclusion List and two affiliated entities did not appear on the Exclusion List.

6. A.B. Data also discovered an additional discrepancy with a different exclusion

request from Caesars Enterprise Services LLC whereby twenty-five affiliated entities were not

included on the Exclusion List.

7. A.B. Data performed a search of the underlying sales data provided by defendants

for the updated entities. No direct purchases for the entities added or removed from the exclusion

exhibit were located within the Defendant provided sales data. Because none of the impacted

entities appear in the Defendant data that provided the basis for the expert damages calculation,

there is no change to the relevant expert reports.

8. The corrected operative list of all entities (inclusive of affiliated entities) that

requested exclusion is attached hereto as Exhibit A. More specifically, A.B. Data corrected the list

of excluded entities amending Campbells Soup to remove the four entities previously reported and

add the two entities not included. Entry 32 on the of excluded parties has been amended to reflect

entries 32 through 32-371 and Ceasars Entertainment Inc./Caesars Enterprise Services LLC has

been amended to add the additional 25 entities previously not included on the Exclusion List.

Entry 75 on the of excluded parties has been amended to reflect 75 through 75-34².

I declare under penalty of perjury under the laws of the United States of America that the

foregoing is true and correct.

Executed this 2nd day of October 2023.

Eric Schachter

¹ The Exclusion List originally listed the Campbell Soup Company entities in entries 32 through 32-39.

² The Exclusion List originally listed Ceasars Entertainment Inc. and Ceasars Enterprise Services LLC in entries 75 through 75-8.
